

## Intro (The Fall)

Dawn Richard

I want you to know me  
I want you to feel me  
Come into my life  
Of story of a girl  
Who knows pain  
Who know love

Where the lights don't stop  
And the hearts race  
Everyone don't stop  
Cause we're in space  
Oh...  
Come into my city  
Oh...  
Come into my city

Looks like their gonna be jealous tonight  
Cause i got a star  
The nights been waiting for me to take you this far  
Let's escape Would that be ok, would that be ok (that be ok)  
You ain't got to bring nothing  
Cause I'll provide it all  
I know it's new to you  
But, I'll drive you through it all  
I got a place (place)  
Where you can stay (where you can stay)  
So let's take a trip

Where the lights don't stop  
And the hearts race  
Everyone don't stop  
Cause we're in space (in space)  
Oh...  
Come into my city  
Oh...  
Come into my city

Just relax  
And let me take away all your pain  
I was told to make everything in your life ok  
Everything's just right  
We got so much time  
Take a deep breathe  
It seems like your loosing control  
But it's ok  
Cause the feeling is mutual  
Let me take you there  
Let me take you there

Where the lights don't stop  
And the hearts race  
Everyone don't stop  
Cause we're in space  
Oh...  
Come into my city  
Oh...  
Come into my city

Where the lights don't stop  
And the hearts race  
Everyone don't stop  
Cause we're in space  
Oh...  
Come into my city  
Oh...  
Come into my city
