

Love Me

Dawn Richard

It's official
I want your lovin'
Store it up in my head
I don't wanna run out of your love, love, love
Hanging on to my doctor(?) like I'm begging for air
I just wanna ... on my love, yeah

I want you to love me
(I want)
I want you to love me baby
I want you to love me
(I want)
I want you to love me boy

Love me, love me, love me, love me, love me
Love me, love me, love me, love me, love me
I can never get enough of you
I can never get enough of you
No, no
Love me, love me, love me, love me, love me
Love me, love me, love me, love me, love me
I can never get enough of you
I can never get enough of you
No, no

I see you from the stage
Got me higher than the clouds
I get butterflies all uW in my belly
So don't hold out on me
See how I'm waiting here for you
You give me some, you give me some
Lovin', lovin' yeah

I want you to love me
(I want)
I want you to love me baby
I want you to love me
(I want)
I want you to love me boy

Love me, love me, love me, love me, love me
Love me, love me, love me, love me, love me
I can never get enough of you
I can never get enough of you
No, no
Love me, love me, love me, love me, love me
Love me, love me, love me, love me, love me
I can never get enough of you
I can never get enough of you
No, no

All I am saying, ... yeah now
It's overrated
I hunger for you boy
I'm not gon' hold back
See I'm over here fighting babe
All I really want is your love, your love, your love

Oh yeah, would you mind giving me your love?

Love me, love me, love me, love me, love me

Love me, love me, love me, love me, love me

I can never get enough of you

I can never get enough of you

No, no

Love me, love me, love me, love me, love me

Love me, love me, love me, love me, love me

I can never get enough of you

I can never get enough of you

No, no
