

Dawnrider

Dawnrider

Out of these walls I seek the one
Bring back our freedom we have lost so long
I heard your call, I'm on the way
And I shall give you back the better days

I'm calling, we're standing alone
Riandria's hope's nearly gone, we're alone

DAWRIDER
WE NEED YOUR HELPING HAND
DAWRIDER
BRING JUSTICE TO THE LAND
DAWRIDER
THE LIGHT SHINES THROUGH THE RAIN
DAWRIDER
NO MORE FEAR AND NO MORE PAIN

For many years I have been trained
The power and true wisdom I have gained
I know the prophecy is true
That is the reason I believe in you

I'm calling, we're standing alone
Riandria's hope's nearly gone, we're alone

DAWRIDER
WE NEED YOUR HELPING HAND
DAWRIDER
BRING JUSTICE TO THE LAND
DAWRIDER
THE LIGHT SHINES THROUGH THE RAIN
DAWRIDER
NO MORE FEAR AND NO MORE PAIN
