

## When Our Troops Unite

Dawnrider

The troopers are standing  
Our freedom we're demanding  
The fire is rising  
For our land we're riding

Out of the shadows they came  
Evil is in their blood  
Giving us sorrow and pain  
Don't let them come!

WE'RE TROOPERS, BELIEVERS  
BORN AS ONE, LET FREEDOM LEAD US  
THE SPIRIT IS IN OUR BLOOD  
AND THAT MEANS A LOT  
IF WE FALL, OUR PEOPLE  
WILL BE SLAVES OR KILLED BY EVIL  
RIANDRA IS BLESSED WITH LIGHT  
WHEN OUR TROOPS UNITE

The forces are fighting  
Like if the gods sent lightning  
My soldiers are waiting  
There will be no debating

Out of the shadows they came  
Evil is in their blood  
Giving us sorrow and pain  
Don't let them come!

WE'RE TROOPERS, BELIEVERS  
BORN AS ONE, LET FREEDOM LEAD US  
THE SPIRIT IS IN OUR BLOOD  
AND THAT MEANS A LOT  
IF WE FALL, OUR PEOPLE  
WILL BE SLAVES OR KILLED BY EVIL  
RIANDRA IS BLESSED WITH LIGHT  
WHEN OUR TROOPS UNITE
