

Lost in the night
Nowhere to find my love

Wake up, four in the morning
'Cause I got to explain
If I make you this promise
That I'll be
Waiting on you
And I don't care what they think
I'm waiting for you

I don't wanna keep complaining
So I'mma go get my shit together now
Ain't no time for kidding 'round

I been broken
Gotta get my mind right
I don't want to be blind-eyed
If I can't be where you are
I'll be

Lost in the night
Nowhere to find my love
I'll give anything to get right
You are my queen, girl
You give

Lost in the night
Nowhere to find my love
I'll give anything to get right
You are my queen, girl
You give (life)

Girl you give
Life

Now I got you back
Oh, what a feeling
Oh, what a feeling now
What a feeling now
Don't want to waste no word
Want to feel it now
I'm on the ceiling now
I'm on the ceiling now
My heart beats now, oh
And it boom now, oh (and it boom now, oh)
(Boom now, oh)
(Make it boom, oh)

Beats now, oh
Boom now, oh

(Boom now, oh)
(Make it boom now, oh)

(Beats now, oh)
(Make it boom now, oh)
