

# Dare

Daya

Dare me to reach a little higher  
You can dare me to step over the edge  
I dare you to dare me to go play with fire  
I'm gonna do everything that you never did  
I'll leave my footprints on the water  
Bet on the dark horse until I'm a millionaire  
And you can all sit back and say that I'm a loser  
But I don't worry 'cause the truth is in the dare

So go on, dare me to lose, dare me to move  
Dare me to run  
And you can dare me to prove something to you  
Is that what you want?  
I dare you to  
I dare you to  
I dare you to  
I dare you to  
I dare, I dare, I dare, I dare you to

There was a time I was afraid of  
The dark and monsters livin' underneath my bed  
And then I said, "Enough is enough," simply because  
The only monsters were the voices in my head

So go on, dare me to lose, dare me to move  
Dare me to run  
And you can dare me to prove something to you  
Is that what you want?

I dare you to  
I dare you to  
I dare you to  
I dare, I dare, I dare, I dare you to

Do it all, do it all, do it all 'cause I wanna  
Do it all, do it all, do it all 'cause I'm gonna do everything  
Do it all, do it all, do it all 'cause I wanna  
Do it all, do it all, do it all 'cause I'm gonna do everything

So go on, dare me to lose, dare me to move  
Dare me to run  
And you can dare me to prove something to you  
Is that what you want?

I dare you to  
I dare, I dare, I dare, I dare you to  
I dare you to  
I dare you, I, I dare you  
I dare you  
I dare, I dare, I dare, I dare you  
I dare you  
I dare you  
I dare, I dare, I dare, I dare you to
