

After All These Beers

Dayglo Abortions

after all these years i've never shed any tears. i'm happy just
to be here drinking all your beer. it's been so long since i w
rote that stupid song. i love these fucking places i get comfor
t from your faces. well i am what i am and we ain't what we ain
't. we're way too old to change now and you'd probably hate it
anyhow. after all these years we do it just for the beer.
