

Call Girl

Daze

You say that I'm your girl,
And you tell me that I'm your little sugar honey bunch,
But I dont feel safe with you,
Cause in your world, there's a lot of little sugar honey bunch.
I'm not that type of girl you need,
Oh no no no,
My friends keep telling me again and again and again,

I'm not your call girl
Do do do do do do do
I'm not your call girl
Do do do do do do do
I'm not your call girl
Do do do do do do do
I'm not your call, call girl
In the night

You have to proove yourself,
Or I ain't gonna be your little sugar honey bunch,
I hope that you can do it,
Cause I really wanna be your little sugar honey bunch,
I'm not that type of girl you need,
Oh no no no,
My friends keep telling me again and again and again,
