De La Soul

L-Y-R to the I-C-S Niggaz still fussin' bout who be the best When diggy-dawg bounce too I put all that to rest Anyone try test I put two in they chest Quest or no Quest I leave venues a mess Don't ask me to collab me and you don't mess(mix?) I stay fresh from the fresh never front nor 'fess In the name of J. Christ all mic's'll get blessed P: power possess flavor, style, finesse Microphone honeys two things I caress To all you fake Jiggy-niggaz, STILL not impressed Queens: I rep it to the fully, you'll think I own the Mets
