State Of Mind

Can't you feel it It's easy to find Heaven is a state of mind Can't you feel it

Your eyes are too blind Heaven is a state of mind Your heart is yearning But the world keeps turning

Your heart is aching But the world's not waiting baby Oh come with me I can set you free

There's so much for you to be We' II go on a trip tonight At the speed of light We will tumble through the tide

Your heart is burning And the world keeps turning Your heart is breaking But the world's not waking

Baby oh stay with me Come and lay with me From here to eternity Hold me but not so tight

It will be alright When we step into the light You can't see it You can't hear it

You can't touch it Baby you must be it **De/Vision**
