

# End of the World

## Dead By Sunrise

When you read the news does it make you sick?  
Murder, money, and politics gonna fill you up  
Get your bullshit fix it's the end of the world  
Grab your crucifix and fall to your knees  
And beg God please have mercy on me (mercy!)

When you turn on the TV what do you get?  
Sex, lies, scandal, violence like the end of a gun  
Pressed against your lips it's the end of the world  
Grab your crucifix and fall to your knees  
And beg God please have mercy on me

When you can't buy gas and you can't pay rent  
And what you've got left is the government's  
No win, no future, no benefit  
- it's the end of the world  
Grab your crucifix and fall to your knees  
And beg God please have mercy on me

Coming out of the hypocrisy  
Coming out of the bureaucracy  
Coming in to lead a war  
They're a shame

You can ignore what you cannot see  
You can believe in a lie  
You can run away from anything  
Until you open your eyes

No rest for the wicked yeah they never quit  
Watchin, waiting for the next trick  
We won't be celebrating when the atom's split  
It's the end of the world grab your crucifix  
And fall to your knees and beg god please  
Have mercy on me

Coming out of the hypocrisy  
Coming out of the bureaucracy  
Coming in to lead a war  
They're a shame

You can ignore what you cannot see  
You can believe in a lie  
You can run away from anything  
Until you open your eyes

Coming out of the hypocrisy  
Coming out of the bureaucracy  
Coming in to lead a war  
They're a shame
