One of them shouted out

Help me! You want me to help you? Man is evil, capable of nothing but destruction Once upon a time There was a very serious situation growing There was a farmer and a farmyard filled with animals And this is the story of their times Old man Sammy had a farm Walked the land with the wife Most of the time shit was calm His whole life was maintained off the everyday labor from the mules in the field to the cattle in the stable This is how we kept food on this table (maxing) You would have he was disabled by the way he be relaxing Acting like Mr. Magnificent But the animals were thinking something different The sentiment was tension in the barnyard Throughout the years they had been through mad drama with the farmer, word is bond And they all came to one conclusion They argued there was no way they'd ever be free If it was up to humans Therefore the only course left was revolution which was understandable And since the pigs promised to lead in the interest of all the animals They planned a full attack Under the leadership of Hannibal The fattest pig in the pack The next morning on the farm Everything was calm Just before dawn But before long The sun got so hot it made the farm seem electric Now check it This is when that shit got hectic Directed by Hannibal, the animals attacked Old Sam was in a state of shock And fell up on his back And dropped his rifle Reaching in vain Each and every creature from the field at his throat Screaming "Kill, feel the pain." This is the animal in man This is the animal in you This is the animal in man Coming true After they ran the farmer off the farm The pigs went around and called a meeting in the barn Hannibal spoke for several hours But when talks about his plans for power That's when the conversation turned sour He issued an offical ordinance to set If not a pig from this day forth then you insubordinate That's when the horses went buckwild

"You fraudulent pigs, we know your fucking style!"
Hannibal's face was flushed and pale
All the animals eyes full of disgust and betrayal
He felt the same way Sam felt
They took his tongue out of his mouth
And cut his body up for sale, for real
You better listen while you can
Its a very thin line between animal and man
When Hannibal crossed the line they all took a stand
What would have done?
Shook his hand?
This is the animal in man
Remember
