If You Don't Mean It

Dean Geyer

I don't know
How to feel
Let the words
Come easily to me
You seem lost
In your thoughts
I find it hard to breath

Why won't you tell me what it is
It's driving me crazy trying
To second guess you

Don't say you love me
I don't believe it
Don't say the words
If you don't mean it
Don't wanna hear it
Out in the open
Keep it inside
If you don't mean it
Don't even wanna talk about it
I know that I could live without it

If it's right
If it's wrong
Will someone let me know
It's a game
I can play
Do I just let you go

Maybe it's just the way it is
'Cause I get the feeling that you
Know it's over

Don't say you love me
I don't believe it
Don't say the words
If you don't mean it
Don't wanna hear it
Out in the open
Keep it inside
If you don't mean it
Don't even wanna talk about it
I know that I could live without it

I just don't wanna talk about it
God knows
I could live without it

If you don't mean it
You gotta let me know

Don't say the words
If you don't mean it
Don't wanna hear it
Out in the open
Can't take it back

```
If you don't mean it
Don't even wanna talk about it
I know that I could live without it

Don't say the words
If you don't mean it
Don't wanna hear it

How you feel
How you feel
```
