Dream A Little Dream Of Me

Dean Martin

Stars shining bright above you Night breezes seem to whisper I love you Birds singing in the sycamore tree Dream a little dream of me

Say nighty night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading but I linger on dear Still craving your kiss I'm longing to linger til dawn dear Just saying this

Sweet dreams til sunbeams find you Sweet dreams that leave our worries behind But in your dreams whatever they be Dream a little dream of me

Sweet dreams til sunbeams find you Sweet dreams that leave our worries behind But in your dreams whatever they be Dream a little dream of me
