

Once in a While

Dean Martin

Once in a while give a thought to me once in a while
Once in a while will you try to give one little thought to me
Though someone else may be nearer your heart
Once in a while will you dream of the moment I shared with you
Moments before we two drifted apart

In love's smoldering ember one spark may remain
If love still can remember, the spark may burn again
I know that I'd be contented with yesterday's memories
Knowing you think of me once in a while

In love's smoldering ember one spark may remain
If love still can remember, the spark may burn again
I know that I'd be contented with yesterday's memories
Knowing you think of me once in a while
