

Room Full of Roses

Dean Martin

(Roses, roses)

If I sent a rose to you for every time you made me blue

You'd have a room full of roses

If I sent a rose of white for every time I cried all night

You'd have a room full of roses

If you'd took the petals and tore 'em all apart

You'd be tearing half the roses just the way you tore my heart

And if some day you're feeling blue you could send some roses to
oo

Well I don't want a room full of roses

I just want my arms full of you

You'd have a room full of roses

You'd have a room full of roses

If you took all the petals and you tore 'em all apart

You'd be tearing half the roses just the way you tore my heart

And if some day you're feeling blue you could send some roses to
oo

But I don't want a room full of roses

I just want my arms full of you
