

Lookin' Out for #1

Death By Stereo

The waters choppy, but it doesn't cut me now. cause i aint sinkin, no i aint goin down below. i don't think that way you know i never have. i can't slow down now just because you lag. youre always pulling, keep on trying. keep on trying to bring me down. im going to show you that i don't like to fuck around. you show your face and I'll look the other way. you blink your eyes and youve got no friends to play. pick up the slack, no. i wont carry your monkey on my back. save the world, no got no time, ive got to save myself today. ive got a mission to fulfill the things in life. ive got a lot of things to see before i live to die. all this negativity tries to bring me down. as you get worse, i turn my life around.
