Don't darken my doorstep again
With your towers of lies inflamed

Real and absolute and everlasting
We gave up on, thee ever passing
Real and absolute and everlasting
We gave up on, thee ever passing

That's what I want
That's where I want it
Silence is God given
Life will red written
That's what I want
That's where I want it
Silence is God given
Life will red written
That's what I want
That's where I want it

Don't darken my doorstep again
