

# Dontcha Want Me Now?

Debbie Gibson

I'm evasive I'm cool and I'm nobody's fool  
And I'm layin' it on the line  
You looked a mess  
Cause my little black dress  
Stopped you on a dime  
Don't even try it your ticket has expired  
And I'm just too tired to dance  
Even if you want me  
You're not gonna get me  
Cause baby you had your chance

Don't you want me now  
Now that I'm trying not to try so hard  
Don't you want me now  
Don't you wonder how  
You could've pushed this naive girl  
To go so lowdown  
The tables are turned somehow  
Don't you want me now

It's not really me it's somebody else  
But I'm lovin' her just the same  
The look on your face  
When I walked in this place  
Will remain forever on my brain  
Cause the joke's on you  
And it's long overdue  
Tell me can you take the heat  
Wanting to hassle the king in his castle  
Revenge never tasted so sweet

Who cares who wins 'cause just the same  
I'm not into baby games  
Yet you once swept me off my feet  
Now look who's in the driver's seat

Now, now that I'm trying not to try so hard  
Don't you want me now  
Don't you wonder how  
You could've pushed this naive girl  
To go so lowdown  
The tables are turned somehow  
Don't you want me now

Don't you want me now  
Don't you want me now  
Don't you want me baby  
Don't you want me now  
Don't you  
Don't you want me now  
Oh, yeah
