

Squeeze Me

Deborah Cox

Oh daddy, squeeze me and squeeze me again
Don't stop till I tell you when
Now daddy, squeeze me and kiss me some more
Just like you did before

Oh boy, Cupid standing close by
Oh daddy, don't make your sweet mama cry
Just pick me up on your knee and I just get
So you know, oh when you squeeze me

Oh daddy, squeeze me and squeeze me again
Don't stop till I tell you when
Now daddy, squeeze me and kiss me some more
Just like you did before

Oh boy, Cupid is standing close by
Oh daddy, don't make your sweet mama cry
Just pick me up on your knee, 'cause I just get
So you know, oh when you squeeze me

You take that to the back
