Nica's Dream

Dee Dee Bridgewater

A song happy and gay, A song that we know All the musitians will play. You know, so it would seem, Everybody loves NICA'S DREAM.

A song loaded with love. A sweet melody Given by angels above. You know, so it would seem, Everybody loves NICA'S DREAM.

She had a vision That jazz would one day be The music that's of The future, you see. Don't you agree? We'll help to see that Her vision will come true. And all the world will be Blessed by it too.

This song is here to stay my friend. Just wait and see. The people have made It part of jazz history. You know, so it would seem, Everybody loves NICA'S DREAM.
