Motorbikin', motorbikin', motorbikin', motorcycling Cruisin' down the queens' highway
Lookin' like a streak of lightnin'
If you gotta go, go, gotta go motorbike ridin'
Listen to me and I'll tell you no lies
Too fast to live, too young to die
I bought a new machine and then they say
It takes your breath away

Motorbikin', motorbikin', motorbikin', motorcycling Cruisin' down the queens' highway
Lookin' like a streak of lightnin'
If you gotta go, go, gotta go motorbike ridin'
