

It's hard to start something new  
You made up your mind but still never knew  
I'm not the judge or the referee  
I don't know what's the truth  
I'm here just for the debate  
And that's one thing about me I hate

Lose the side kick and choose for yourself  
At the end of the day you can sing  
I did it my way  
And I am proud of it all

What if I'm wrong? What's there to lose?  
I don't care whether you win or lose  
I'm not the judge or the referee  
I don't know what's the truth  
I'm here just for the debate  
And that's one thing about me I hate to love

You can't really win a fight without  
Putting yourself on the line
