Sucker for love

Deep Insight

My heart is a sucker for love It keeps promising more It keeps leaving me with nothing My life as a wannabe It's not always perfect But I like it a lot

Time after time I question myself Why do I find nothing Time after time So I keep asking how can I change But the answer remains Time after time

My heart is wild and free Because it's easier to be I know it's too late to change Because it's easier to be

My heart is a black box I'll do the aftermath I'll survive the crash My life in a nutshell I'm crazy enough Not to worry about tomorrow

Time after time I question myself Why do I find nothing Time after time So I keep asking how can I change But the answer remains Time after time

Time after time I question myself Why do I find nothing Time after time So I keep asking how can I change But the answer remains Time after time
