

Time Is a Remedy

Deep Insight

I've cried in so many ways
how many days till we meet again
so wired up, so helpless
together we pray
and it heals
how many times
how many times have I wondered
so many means to give in
cause you're nowhere to save me

You are
the one

we failed in so many ways
seasons changed but the reasons stayed the same
out of place again
when the light is gone my heart stays silent
how many times
how many times have I wondered
build me up one more time
take me out of the darkness

You are
the one

time will keep us apart
time will keep us apart
hold on, hold on
keep holding on
time is a remedy

You are
