

One might say that I've gone too far,
he probably knows me better than God.
I'm tried of trying to explain.
What I do should be my own business

I keep myself to myself

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.

It's quit confusing to hear what you say,
behind my back you lie and then turn away.
The Secret service is on me tail.
What I do should be my own business.

just keep myself to myself

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.

I don't know you

I don't know you

I don't know you anymore

And I know that I have to go,
and I know that it must be wrong.
But every time I look in the mirror I see you.

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.
