

Lay Down, Stay Down

Deep Purple

I don't care if my lady's gone
as long as you give me just what I want.
I've been losin' my direction,
got to find a new connection.

You have wasted the love I tasted,
now I'm really gettin' hungry more and more.
Been a long time, had a bad sign.
Tell me what am I fighting for?

Let me know you feel it,
you know I really need it.
Keep on pushin' for more,
lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.

Lookin' for trouble, I guess that's right.
When I was young I was taught to fight.
It's been long gone since I had known,
now I'm headin' for some more.

Let me know you feel it,
you know I really need it.
Keep on pushin' for more,
Lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.

Let me know you feel it,
you know I really need it.
Keep on pushin' for more,
lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.
