I don't care if my lady's gone as long as you give me just what I want. I've been losin' my direction, got to find a new connection.

You have wasted the love I tasted, now I'm really gettin' hungry more and more. Been a long time, had a bad sign.
Tell me what am I fighting for?

Let me know you feel it,
you know I really need it.
Keep on pushin' for more,
lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.

Lookin' for trouble, I guess that's right. When I was young I was taught to fight. It's been long gone since I had known, now I'm headin' for some more.

Let me know you feel it, you know I really need it.
Keep on pushin' for more,
Lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.

Let me know you feel it,
you know I really need it.
Keep on pushin' for more,
lay down, stay down.
I got something to find,
there's one thing I really need.
I'm gonna tell you right now,
lay down, stay down.
