

All I Want Is Everything

Def Leppard

I don't know how to leave you
And I don't know how to stay
I've got things that I must tell you
That I don't know how to say

The man behind these empty words
Is crying out in shame
Holding on to this sinking ship
When nothing else remains

All I want is everything
Am I asking too much?
All I want is everything
Like the feel of your touch
But all I have are yesterdays
Tomorrow never comes

It's hard to hold your head up
When you're kneeling down to pray
And the talking doesn't come easy now
When the words get in the way
And if you could see what's going on
Behind these private eyes
The truth would look so easy now
But I'm running out of lies

[Repeat Chorus]

[Guitar Solo]

You think the shadow of doubt
Is hangin' over my head
It's just an angel whose wings hide the sun
And it's myself I betray
I can not wish this away
Took my chance now the damage is done

All I want is everything
Am I asking too much?
All I want is everything
Like the feel, the feel of your touch
When all I have are yesterdays
Tomorrow never comes

Ooh, oooh
Ooh, oooh
