

# Energized

Def Leppard

I'm the rhythm king from coast to coast  
Shot out the gate first to the post  
My pulse is set on overdrive  
Beat cardiac means I'm alive  
I get to feed the need for speed  
Heat and sweat are what I bleed  
Radial philosophy  
It's what you feel not what you see

It's dangerous and shameless  
When I get to look at you  
I'm erratic when I'm static  
I'm about to overload

I'm feeling energized  
Like I've been hypnotized  
I'm feeling energized  
And I'm in paradise

A firestorm identity  
It's what I am, it's what I'll be  
The undisputed number one  
Laser fired from a gun  
To liberate that's what you need  
Heat and spice are what I breathe  
Insatiable and chemical  
And viral beyond animal

It's ageless and contagious  
When I get to look at you  
I'm erratic when I'm static  
I'm about to overflow.

I'm feeling energized  
Like I've been hypnotized  
I'm feeling energized  
And I'm in paradise

I'm feeling energized  
Like I've been hypnotized  
I'm feeling energized  
And I'm in paradise

I'm feeling energized  
Like I've been hypnotized  
I'm feeling energized  
And I'm in paradise
