

High 'N' Dry (Saturday Night)

Def Leppard

Saturday, I feel right
I been drinking all day
Yes I got a date, a midnight ride
I had to get it away
Yeah, I'm not a loner, I'm not a fool
Don't need a reason, reason to be cool
I got my whiskey, I got my wine
I got my woman, and this time the lights are going out

Saturday night - High
Saturday night - High 'n' dry
Saturday night - I'm high
Saturday night - High 'n' dry

Ow, I feel bad, I feel mean
I'm up and down and in between
On the bottle, I'm on the line
I'm up and feeling fine

Oh I'm not a loner, I'm not a fool
Don't need a reason, reason to be cool
I got my whiskey, I got my wine
I got my woman, and this time the lights are going out

[Repeat Chorus]

Oh take me high
Saturday, kickin' out, her train was comin' to me
I gotta move, number one
Saturday night on the run

Saturday night - High
Saturday night - High 'n' dry
Saturday night - Got my whiskey
Saturday night - Got my wine
Saturday night - Got my woman
Saturday night - High 'n' dry
You gotta try me tonight
