You could have a change of heart

If you would only change your mind

C#mi

Instead of slamming down the phone, girl

A

For the hundredth time

I got your number on my wall

But I ain't gonna make that call

C#mi

When divided we stand, baby

A H

United we fall

Got the time, got a chance, gonna make it

Got my hands on your heart, gonna take it

All I know, I can't fight this flame

E

You could have a change of heart

A

If you would only change your mind

C#mi

Cause I'm crazy 'bout you baby

A H

Time after time

E

Without you

H A H

One night alone

E

C#mi

Is like a year without you baby

A H

Do you have a heart of stone

C#mi

Without you

Can't stop the hurt inside

When love and hate collide

I don't wanna fight no more

I don't know what we're fighting for

When we treat each other, baby

Like an act of war

I could tell a million lies

And it would come as no surprise

When the truth is like a stranger

Hits you right between the eyes

There's a time and a place and a reason
And I know I got a love to believe in
All I know
Got to win this time

Without you
One night alone
Is like a year without you baby
Do you have a heart of stone
Without you
Can't stop the hurt inside
When love and hate collide

You could have a change of heart If you would only change your mind Cause I'm crazy 'bout you baby

A H Crazy, crazy

Without you
One night alone
Is like a year without you baby
Do you have a heart of stone
Without you
One night alone
Is like a year without you baby
If you have a heart at all
Without you
Can't stop the hurt inside
When love and hate collide
