

Beautiful Flower

Default

There you go creeping in your in my head once again it's a rush
head to toe it's never enough don't you know

come tomorrow see ya sorrow a taste of heaven all your livin'

theres a thousand reasons to leave but there's just one reason
to stay

my beautiful flower you've got the power i stopped holding on y
ou keep pulling me in my beautiful flower
my darkest hour think i'm getting out 'til i see you again

where's my fate taking me my mistakes breaking me here i come c
hasing you in a rule without of you

do i belong here it feels so wrong here

like a cloud thats following you the sun can never find it's wa
y thru

my beautiful flower you've got the power i stopped holding on y
ou keep pulling me in my beautiful flower
my darkest hour think i'm getting out 'til i see you again

like a cloud that's following you the sun can never find it's w
ay thru

my beautiful flower you've got the power i stopped holding on y
ou keep pulling me in my beautiful flower
my darkest hour think i'm getting out 'til i see you again

my beautiful flower you've got the power i stopped holding on y
ou keep pulling me in my beautiful flower
my darkest hour think i'm getting out 'til i see you again
