

Killers

Defiance

Oh, yeah! Yeah! Oh, yeah! Yeah!

Oh, yeah! Oh, yeah!

You walk through the subway; his eyes burn a hole in your back
A footstep behind you; he lunges prepared for attack
Scream for mercy - he laughs as he's watching you bleed
Killer behind you; his blood lust defies all his needs...

My innocent victims are slaughtered with wrath and despise
The mocking religion of hatred that burns in the night
I have no one; I'm bound to destroy all this greed
A voice inside me compelling to satisfy me...
-- A-ha-ha-ha!

I can see what a knife's meant to be
And you'll never know how I came to forsee, see, see

My faith in believing is stronger than lifelines and ties
With the glimmer of metal my moment is ready to strike
The death call arises, a scream breaks the still of the night
Another tomorrow - remember to walk in the light!

I have found you and now there is no place to run
Excitement shakes me, oh God, help me - what have I done?!
Oh yeah, I've done it! Yeah!!!

You walk through the subway; my eyes burn a hole in your back
A footstep behind you; he lunges prepared for attack
Scream for mercy - he laughs as he's watching you bleed
Killer behind you; my blood lust defies all my needs
Oh, look out, I'm coming for you! A-ha-ha-ha!
