

Not For You

Defiance

Coming into this world you're fed a complete line of shit about the choices in life and how to deal with it by the teenage, years you're just a pawn in their game the universal goal is for everyone to be the same

I won't change at all.
Not for you or anyone else your opinion means shit to me.
I believe in myself.

I won't change at all.
Not for you or anyone else your opinion means shit to me.
I believe in myself.

By the twenties you've got a career and a plan go to war to be a fuckin man. What a fuckin scam by your thirties you've got some kids and a wife and question what the fuck did I do with my life.

I won't change at all.
Not for you or anyone else your opinion means shit to me.
I believe in myself.

I won't change at all.
Not for you or anyone else your opinion means shit to me.
I believe in myself.
