

# Changed Man

Deitrick Haddon

The Things I Used To Do  
I Don't Do No More  
Cuz I've Been Changed  
I'm A Changed Man  
And The Places I Used To Go  
I Don't Go No More  
Cuz I've Been Changed  
I'm A Changed Man

I Know Your Thinking It's Just A Faze  
You Said I'll Go Back To My Own Ways  
But I come To Find To Turn Around  
And I Refuse To Be Bound, I Refuse To Be Bound

I've Been Waiting For This Long Time  
Now I Have A peace Of Mind  
And Everything Is Gonna Be Alright  
Cuz Jesus Is A Friend Of Mine, A Friend Of Mine

The Things I Used To Do  
I Don't Do No More  
Cuz I've Been Changed  
I'm A Changed Man  
And The Places I Used To Go  
I Don't Go No More  
Cuz I've Been Changed  
I'm A Changed Man

No more do I have to search for love  
Love came after me  
Now I'm free as I wanna be  
All I did was believe, All I did was receive

Why dont you give this love a try  
it will open up your blinded eye  
Come on and let the lord in your life

Don't care what people say  
I'm livin in a brand new day  
I may not be what i wanna be  
but thank God i'm not what i used to be

The Things I Used To Do  
I Don't Do No More

I've been changed(till end of song)
