

# Everytime

Deitrick Haddon

Ladies!

Everytime I feel the spirit moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

Fellas!

Everytime I feel it moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

Who are you to tell me that I can't praise  
Cause I been through the storm and the rain  
Never thought that I would make it this far  
There's a praise down in my heart

Ladies

Everytime I feel the spirit moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

Fellas!

Everytime I feel it moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

I will praise him every day of my life  
And praising him makes me feel alright  
And I can feel him from my head to my toes  
And his love is deep down in my soul

Ladies!

Everytime I feel the spirit moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

Fellas!

Everytime I feel it moving in my heart  
I'm gonna praise  
I'll clap my hands and stomp my feet  
Now watch me praise him to this beat

Left, right, left, right, back, forth C'mon

I can feel Him  
Feel Him moving  
Watch me praise Him  
Watch me praise Him

If you don't wanna praise Him  
If you don't wanna praise Him  
If you don't wanna  
You can watch me praise Him

You can watch me praise Him  
If you don't wanna praise Him  
If you don't wanna  
You can watch me praise Him
