

Love Him Like I Do

Deitrick Haddon

Love him like I do
Giving honor to you first
The Pastor, the church
My folks and friends
Listen to these words
See God saved me (yeah)
From myself when no one else was around
And it was only by his grace
His mercy His favor
Cause I know I don't deserve
All the love he show (oh)
And how he let me know (oh)
He never gonna leave my side

That's why I love him like I do
I Love him like I do
I Love him like I do
That's why I love him like I do
I, I
See I got a testimony how He saved my soul
When I was just a sinner left in the cold
Gave me a second chance
Saved me from myself
Came to my rescue
When I needed help
You want to know why I love him like I do
Cause when my enemies said I was thru
He took me from the bottom
And put me on the top
He laid his hands on me
And now I can't be stopped

That's why I love him like I do
I Love him like I do (my my my)
I Love him like I do (I do, I do, do do do)
That's why I love him like I do (I love him like I do I love him like I do)
I, I
Somebody told me that we overcome by our testimony
Bet you wouldn't believe how doubt and fear used to paralyze me
God's hand led me thru the test
And he brought out the very best of me
And now I never forget
To tell the world what you mean to me (ye... ah... yeah)

That's why I love him like I do
I Love him like I do
I Love him like I do
That's why I love him like I do
I, I
Let me tell you why I love Because he been so good me
He takes care of me
He keeps love me yeah
I love him
I love him

I Love him like I do
I Love him like I do

I Love him like I do
I Love him like I do
