

# Running

Deitrick Haddon

You running [x4]

Get em!

He by my side you can hear God's voice  
Calling you even through all of them noise  
Telling you is time to make a choice  
You know is something you cannot avoid  
And you're wondering why its so had different joy  
You'll be feeling frustrated you may not know  
And even though you got money like me were too fly  
You came back to God am feeling you boy

You're running [x2]  
Running from your calling  
You're running [x2]  
Running from your calling

Lift your hands and tell God yes  
Yes yeah  
You've got to tell Him yes  
Running running running [x2]  
Running from your calling

You remind me of Jonah the prophet  
He try to run he couldn't stop Him  
He got on the ship and  
They kicked him up  
He got swallowed up  
Even the fish have to vomit him up  
When God is ready the best is to say yes  
I think you're ready just tell Him yes  
Man I've been there before I must confess  
Things are better but I told Him yes

You're running [x2]  
Running from your calling  
You're running [x2]  
Running from your calling

Lift your hands and tell God yes  
Yes yeah  
You've got to tell Him yes  
Running running running [x2]  
Running from your calling

I see you smoking loud I know that you are high  
And you're getting dressed to go that clubbing all night  
But God's hands is still on your life  
How long will you run  
How long will you fight  
Man it was love that kept you alive  
And without His love you will not survive  
I see you running but I don't why  
Why don't you give His love a try

Running running running [x2]  
Running from your calling
