

Save Somebody

Deitrick Haddon

You don't know how much I love you.
You don't know how much I need you.
And you won't find no love on Earth that's willing to die for you and cry for you.

(I just wanna)
Save somebody (I just wanna)
Reach somebody
Touch somebody
Love somebody

The love I have for you just wants to grab you.
Just weep you in my arms and don't let go.
And you won't find no love that's willing to go beyond the only stage.
And willing to take you to the holy place.

(I just wanna)
Save somebody (I just wanna)
Reach somebody
Touch somebody
Love somebody

All of the love that you
