

The Greatest

Deitrick Haddon

Mirror, mirror on the wall
Who's the greatest of us all
The greatest, the greatest, the greatest, Jesus the greatest
Greatest, the greatest, Jesus, Jesus the greatest (4x)

What make you think that God didn't count the date
All the mistakes that you would ever make
Even though he knew that you would take the bait
He finds a way to love us anyway
What make you think that God don't have a plan
And if you fall he's there to help you stand
You made of flesh and blood but just a man
All I'm saying,
Is HE is the greatest,
Greatest (love) love of all;
He is the greatest (greatest) love of all (love of all)
Greatest, the greatest, Jesus, Jesus the greatest (4x)

People say with their lips that they love you
But in their heart they know that they don't mean it
Their placing everything else above YOU
Their love don't ever come through, believe that
Ooh, Ooh, Ooh, Jesus is the greatest love of all
HE is the greatest love of all
Greatest (love) love of all;
He is the greatest (greatest) love of all (love of all)

Greatest, the greatest, Jesus, Jesus the greatest (4x)

You will never find a love like this and
Oh, all the others they be hittin and missin
All you gotta do is give HIM permission
That's love with no condition
Are you tired of being abused, (yeah)
Are you tired of being misused, (yeah)
Give HIM all the love you have, (yeah)
And HIS love is given it back to you
Ooh, Ooh, Ooh, Jesus is the greatest love of all

What you know about love, I'm talking bout love
What you know about love, I'm talking bout love
The kind of love you can't get enough
It come from above, man (2x)

Greatest, the greatest, Jesus, Jesus the greatest (4x)
Greatest (love) love of all;
He is the greatest (greatest) love of all (love of all) (3x)
Jesus, the greatest, the greatest love of all
