

Trusting God

Deitrick Haddon

What do you do
When you just don't understand
And what do you do
When you just cannot explain
And what do you do say
When you just don't have the answers
Through it all, keep on trusting God
What do you do
When words can't ease the pain
And what do you do when you wake up
And things are just the same
Seems like it just won't get any better
Through it all, keep on trusting God

Yet will, yet will,
Yet will I trust Him
Yet will, yet will,
Yet will I trust'

What do you do
When life questions your faith
And all the dreams you had
Seems like they're drifting away
It takes all of your strength
Just to make it through the day
But through it all, keep on trusting God
What do you do
When you cried all you can cry
When you have to wear a smile
When you hurt deep inside
And what do you do
When there's no one you can call
Through it all, keep on trusting God

Yet will, yet will,
Yet will I trust Him
Yet will, yet will,
Yet will I trust'
Oh..keep on trusting God

Oh'oh'oh'oh-oh-oh
Through it all I will trust You
Through it all I, I will trust
I'll trust Him
No matter what I go through
I'm gonna keep holding on , holding on
holding on, yeah
Through it all, (through it all)
I will keep, keep on trusting God
Though it's hard, (though it's hard)
Though it's hard, keep on trusting God
Through it all keep on trusting God
trusting Him
I know it's hard (and I may have to cry sometimes)
keep on trusting God
Gotta keep on Trusting God
