

# U.N.I.T.Y.

Deitrick Haddon

Yo, It's Haddy  
All over the world  
We gon do it like this yall  
This is for all God's people

All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y  
(Ohhh) All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y

It's time that we all understand  
We can't live without each other's helping hands  
Set our differences aside and became one  
And love would overcome what hate had done

We can stop this world from going under

All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y  
(Ohhh) All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y

We fought against our own but we never stand  
Just like a house that was built upon sand  
And there's a voice that's crying in the wilderness  
If we come together we can stand the test

There's no love  
There's no hope  
There's no peace  
Without Unity

Yeah, Celebration!  
For All Nations!  
Worldwide!  
Everybody! Hands Up! UNITY!

All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y  
(Ohhh) All of God's children when we U.N.I.T.Y  
We can just get together, U.N.I.T.Y

Yeah  
All over the World  
You and You and You  
Whooooo!  
Come On!  
We got UNITY!  
Hands Up!  
UNITY!
