

# Won't Stop Praying

Deitrick Haddon

You know it seems like forever  
When you're waiting on your blessing  
And trusting in God's word  
Sometimes comes when testing  
I refuse to lose my faith along the way  
So I'll encourage myself and say

And I won't stop praying  
Until you come through  
Ooh I won't stop praying  
Until you come through

He that waiteth on the Lord  
Said their strength shall be renewed  
God ain't gonna let you down no oh  
He will do just what he said he'll do  
And your labor is not vain no  
Things are gonna change  
I believe it oh yeah

And I won't stop praying  
God is not a man that he should lie  
His word is gonna come to pass  
Even though days gone by  
You've gotta keep holding on  
Even if you have to cry sometimes  
The night is almost over  
I can see the mornin light

And I won't stop praying  
Until you come through  
I won't and I won't and I won't  
And I won't stop  
Won't stop praying  
Won't stop praying  
Won't stop praying  
Won't stop praying  
I won't stop praying  
Until you come through
