

Cryin' Over You

Delbert McClinton

Here I am again, girl.
Begging on my knee
Begging you one more time, girl
Take me back, please
Crying over you
Crying over you

I never been so lonely girl
Our love is all I had
Take me back again girl
I need your love so bad
Crying over you
Crying over you

I'll never love again, girl
No rebound love will do
I'll break what heart I loved girl
No one else I want, but you
Crying over you
Crying over you

Don't waste too much time girl
Time's not enough as it is
Regretful tears tomorrow 'cause
you lose a love like this
Crying over you
Crying over you
