

# Have A Little Faith In Me

Delbert McClinton

When the road gets dark  
And you can no longer see  
Just let my love throw a spark baby  
And have a little faith in me

And when the tears you cry  
Are all you can believe  
Just give these loving arms a try baby  
And have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

When your secret heart  
Cannot speak so easily  
Come here darlin'  
From a whispered start  
To have a little faith in me

And when you're back's against the wall  
Just turn around and you will see  
I will catch you, I will catch your fall baby  
Just have a little faith in me

Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

Well, I've been loving you for such a long time girl  
Expecting nothing in return  
Just for you to have a little faith in me  
You see, time, time, is our friend  
'Cause for us there is no end  
And all you gotta do is have a little faith in me  
I said I will hold you up, I will hold you up  
Your love gives me strength enough  
So have a little faith in me.

All you got to do baby  
All you got to do  
Is just have a little faith in me.
