

I Feel So Bad

Delbert McClinton

Just like a ball game on a rainy day
I tell you, I feel so bad
Just like a ball game on a rainy day
You know I just can't make my mind up
I shake my head and walk away

Well, there's sometime I wanna leave here, baby
Then again I wanna stay
Yeah, sometime I wanna leave here
Then again I wanna stay
You know I just can't make my mind up
I shake my head and walk away

Well, I'm tryin' to tell you people
Tryin' to tell you just how I feel
Yeah, I'm trying to tell you people, people, people
Tryin' to tell you just how I feel
You know the way my baby left me
My baby gave me a dirty deal

I got to leave, baby
I got to walk away
I'm gonna leave, baby
I'm gonna leave today
