I Feel So Bad

Delbert McClinton

Just like a ball game on a rainy day I tell you, I feel so bad Just like a ball game on a rainy day You know I just can't make my mind up I shake my head and walk away

Well, there's sometime I wanna leave here, baby Then again I wanna stay Yeah, sometime I wanna leave here Then again I wanna stay You know I just can't make my mind up I shake my head and walk away

Well, I'm tryin' to tell you people Tryin' to tell you just how I feel Yeah, I'm trying to tell you people, people, people Tryin' to tell you just how I feel You know the way my baby left me My baby gave me a dirty deal

I got to leave, baby I got to walk away I'm gonna leave, baby I'm gonna leave today
