## **Stealing Time**

**Delirious?** 

I need a lonely day with you, sometime. I need to get away with you, sometime. I've got a crowd of things going on, in my mind. I need a lonely day with you, sometime. Sometimes, I never get there, sometimes. Stealing time, Am I forever. Stealing time to be with you. I remember love's first days, Precious moments, we had all the time in the world. Still You thrill me, still You heal me. Still need a lonely day with you, sometime. Sometimes, I never get there. Sometimes, can I ever get there? This time, will I ever really get there?
