

## New Days

Delta Rae

Changed my name again  
Let down my walls to let you in  
Was fighting fire with sin  
But I found a way to begin  
Make right  
Shed new light  
On to these new days

Wash down on my young face  
Lighting up the dark places  
Softening the lines  
And I love you  
After all we've been through  
I don't want you changing right before my eyes  
Oh, but I know it's right  
Oh, it's right

Whoa, fever's running high  
Burned off the demons in my mind  
I'm seeing with fresh eyes  
What we had was built on  
Broken promises and hard-won love  
And I don't want to lose it in these new days

Wash down on my young face  
Lighting up the dark places  
Softening the lines  
And I love you  
After all we've been through  
I don't want you changing right before my eyes  
Oh, but I know it's right  
Oh, it's right
